HI-BUILD CONSTRUCTION (L.L.C.)

20th April 2013

To Whom It May Concern

Project: Proposed Construction of Ware House Extension & Additional Office (G+M)
– Schoeller Bleckmann, Jafza.

Consultant : Corporate Planners & Engineering Consultants

Client : Schoeller Bleckmann Oil field Equipments

This is to confirm that M/s. Al Ahlam Insulation Material Supply LLC., P.O. Box: 25769, Dubai., is our nominated Sub-contractor for Waterproofing works for the above mentioned project and has successfully handed over the site for jafza approvals

They did this work as per latest green building and envelope reflective index specifications of TRAKHEES CIVIL ENGINEERING DEPARTMENT

We have found the quality to be of good standards and there is no leakage to date on this completed project.

Thanks & Best Regards,

Binny Varghese
Project Manager
